

Professed SFO Record

During the journey of formation development from visitor to professed a record of the individual's activities and progress should be maintained in a personal file for the records of the fraternity. The information in the file is confidential. The formation director is responsible for maintaining this file until profession. The final file of a Professed Secular Franciscan should have the following material:

- Visitor Information Sheet (Section 2.14.1)
- Record of Attendance Visitor to Profession (Section 2.14.4)
- Documentation Check List – Visitor to Profession (Section 2.14.5) and copies of associated documents
